Alternative Financing Options

Modern Financing Solutions for Hospitals:

The rate of improvement in the healthcare space is rapid. While this is excellent for patient wellbeing it presents a challenge for hospitals: How do you provide high quality care with limited funding? Financing ensures your physicians have access to the equipment they need to keep pace with the constantly changing healthcare landscape. Below are our financing options:

Bridge to Budget

Stuck waiting on much-needed capital equipment until your budget resets at the end of fiscal year? Pull forward urgent equipment purchases with our Bridge to Budget option. Deferred, step or annual payment programs allow payments to be deferred up to 12 months to match your budget cycle.

Equity Rental

Flexible monthly payment program that gives 50% equity from each payment towards applicable purchase if capital funding becomes available.

Operating Programs

Leverage excess operating budgets when capital budgets run low with our Operating Programs option. With programs customized to meet FASB-13 accounting guidelines utilize operating budgets for much needed equipment purchases.

Standard Financing

6 - 84 month financing terms with no upfront costs to fit any budget.
